You may bring whatever you'd like to decorate your table including banners, table clothes, flyers, coupons, menus, swag and paper products. You may bring chafing dishes to keep your food warm. You will not be allowed to cook in the venue BUT you are allowed to cook outside of the venue as long as you bring a professional grade fryer or smoker, schedule k fire extinguisher and let us know that you're doing it. There is no fee to the restaurant, but you will need to provide enough wings and paper products for 800 - 1,000 people throughout the course of the event (we will provide you a more accurate count as we get closer to the date), man your table and serve your wings. **Only ONE flavor per restaurant please.**
